**EXPERIENCE: 6/07-Present – Director of Curriculum Development, Everblue Energy**  
**6/07-6/08 – Project Manager, Tessera North America**  
**6/02-6/07 – Captain, Armor, United States Army**

**Director of Curriculum Development (6/2007-Present):** Provide third party verification of energy efficient construction for homebuilders seeking Energy Star certification and consult nationwide on LEED projects.

- Curriculum developer for LEED, BPI, HERS, and NABCEP certification/accreditation training.
- Instructor for LEED, BPI, and solar energy preparation classes nationwide
- HERS Certified Home Rater and LEED Accredited Professional; work with homebuilders, government officials
- Adjunct faculty for University of North Carolina Charlotte and New York University
- Course reviewer for the US Green Building Council

**Project Manager (6/2007-6/2008):** Manage the design, manufacture, and shipment of custom micro-optics for use in the semiconductor industry, representing \$22 million in annual sales.

- Led project team to deliver 100% of projects on time and 95% of projects within budget.
- Increased share of responsibility from 10% to 90% of company's projects over an 8-month period; assumed responsibility for 3 other project managers' workload valued in excess of \$20 million.
- Developed new documentation processes to better control and track projects resulting in shorter lead times, lower costs, and fewer manufacturing errors.

**US Army (6/2002-Present):** Currently company commander for US Army Reserve drill sergeant company based out of Concord, NC and headquartered in Ft Jackson, SC. Prior positions include: Project Manager, Executive Officer, Scout Platoon Leader, Tank Platoon Leader, and Assistant Intelligence Officer.

- Selected by commander to lead team into Fallujah, Iraq 12 hours before main assault to retake city from insurgents, contributing to mission success; awarded Bronze Star Medal and Presidential Unit Citation.
- Spearheaded team during 12-hour battle in Buhriz, Iraq that began cessation of hostile activities in town; awarded Bronze Star Medal with "V" Device for Valor.
- Developed training requirements for all US Army Europe units deploying to Iraq, Afghanistan, Kosovo, and Bosnia, contributing to 100% unit readiness.
- Led deactivation of unit upon return from Iraq; achieved "Fastest" turn-in of \$20 million in equipment of 18 companies in brigade over 2 months with zero loss of property.
- Led over 250 combat patrols to include 20 raids on insurgent homes during Operation IRAQI FREEDOM; awarded Bronze Star Medal and Valorous Unit Citation.
- Rated by brigade executive officer as "Top" 1% officer.
- Coordinated ground/air assets that interdicted smuggling along Kosovo-Macedonian border.
